Yili is

China's largest dairy producer, offering the largest number of products. Yili has now put into place a network comprising a global resource system, a global innovation system and a global market system in regions where the dairy industry is well developed. These regions include Asia, Europe, Oceania and the Americas. Yili has over 2,000 partners distributed in 39 countries across six continents. The company owns 15 R&D and innovation centers and 75 production bases. Its liquid milk, milk powder, yogurt, cheese and ice cream are on the market in more than 60 countries and regions.

With its exceptional product quality, leading service capabilities and comprehensive capacity for sustainable development, Yili is well-respected and received among global event organizers, national and local governments and the public. Yili was selected to serve as the exclusive supplier of dairy products and services at major international events, including the Beijing 2008 Olympic Games, the Expo 2010 Shanghai China, the G20 2016 China, the 2019 7th CISM Military World Games, the Beijing 2022 Winter Olympic Games, and the Hangzhou 2023 Asia Games. Yili has also become a partner of the World Economic Forum, the Boao Forum for Asia, and the World Internet Conference.

By 2002, he was the youngest CEO among the 520 key industrial enterprises.

Mr. Pan has been holding the position of Chairman and CEO of Yili Group since June 2005.

The "global networking" and the "along-the-supply-chain innovation" strategy

The "quality management" and the "precise management" management ideas

Solid results matter more than time taken; Industrial prosperity outranks personal glory; Social value takes precedence over business fortune; That's the value that we hold in every step of our growth.
